lyondellbasell  
Advancing Possible

Equistar Chemicals, LP  
3400 Anamosa Road  
Clinton, Iowa 52732  
Tel: +1 563 243 5500

**442**  
employees &  
contractors

**239** acres  
site footprint

## ABOUT THE SITE

LyondellBasell's Clinton Complex began operations in 1968 and is located in Eastern Iowa, approximately two miles from the Mississippi River. The site is one of the largest chemical plants in Iowa. The complex utilizes its own water and waste treatment facilities. The site has a highly trained response team which includes over 70 firefighters and emergency workers providing onsite EMS, Fire, HazMat and rescue response. Numerous expansions have taken place over the 50-year history of the facility, most recently a 100 million pounds-per-year increase in 2013.

## ECONOMIC IMPACT

**\$163 million** 2018 Total goods & services purchased

**\$53 million** 2018 Payroll and benefits

## COMMUNITY ENGAGEMENT

LyondellBasell is committed to being a responsible, good neighbor in the communities where we operate. The Clinton Complex supports the community by volunteering with various groups including:

- Habitat for Humanity
- Enviro Kids
- Junior Achievement

## AWARDS

## ABOUT LYONDELLBASELL

LyondellBasell (NYSE: LYB) is one of the largest plastics, chemicals and refining companies in the world. Driven by its employees around the globe, LyondellBasell produces materials and products that are key to advancing solutions to modern challenges like enhancing food safety through lightweight and flexible packaging, protecting the purity of water supplies through stronger and more versatile pipes, improving the safety, comfort and fuel efficiency of many of the cars and trucks on the road, and ensuring the safe and effective functionality in electronics and appliances. LyondellBasell sells products into more than 100 countries and is the world's largest producer of polymer compounds and the largest licensor of polyolefin technologies. In 2019, LyondellBasell was named to Fortune magazine's list of the "World's Most Admired Companies." More information about LyondellBasell can be found at [www.LyondellBasell.com](http://www.LyondellBasell.com).
