

# *Polyflam PP*

Highlight on flame retardant compounds

# Polyflam PP properties

LyondellBasell is an industry leading supplier of flame retardant polypropylene compounds.

## Properties

- Choice of Homo-/Copolymers in different colors
- High CTI of 600V
- Flammability ratings - Glow Wire Ignition Temperature - UL approvals - Low smoke density and toxicity
- Environmental aspects: halogen-free available, compliant with WEEE and ROHS regulations

Properties	Units	Polyflam			
		RIPP 2000 S	RPP 374 ND CS1 5V	RIPP 374 ND CS1 5V	RPP
		PP Copo, unfilled V2 halogen free	PP Homo, T20, V0, 5V	PP Copo, T20, V0, 5V	PP Homo, M35, V0
Density	g/cm	0.91	1.5	1.39	1.41
MVR 230°C/2,16Kg	cm³/10min	13	5	5	1.5
UL94 (V-)		V-2 @ 1.5mm	V-0 @ 1.5mm	V-0 @ 0.75mm	V-0 @ 1.5mm
UL94 (5V-)		-	5VA @ 1.8mm	5VA @ 2.0mm	5VB @ 2.0mm
GWIT	°C	800	750	750	800

# Polyflam PP markets

Polyflam is designed to meet and exceed your industry's specification and has a long track-record of performance in:

## Building & construction:

- **e.g. public/outdoor seating**  
complies with EN13501, NF P92-501 Weather- and UV resistant, free of antimony trioxide for brilliant colors

## Electrical & electronic:

- **e.g. wire & cables**  
flexible and bendable
- **e.g. cable ducts, power rails**  
impact strength and toughness

## Household appliances:

- **e.g. connectors**  
exceeding IEC 60335 for unattended household appliances with Glow Wire Ignition Temperature of 0 seconds flame at 775° C, CTI 600 V, UL94 V-0 at 0,8 mm, 5VB at 2 mm

## Mobility:

- **e.g. fuse boxes and housings, batteries, supporting parts inside high voltage (EV) battery systems**  
low warpage, dimensional stable, cost effective, orange color for high voltage applications

# About us

We are LyondellBasell (LYB) – a leader in the global chemical industry creating solutions for everyday sustainable living. Through advanced technology and focused investments, we are enabling a circular and low carbon economy. Across all we do, we aim to unlock value for our customers, investors and society. As one of the world's largest producers of polymers and a leader in polyolefin technologies, we develop, manufacture and market high-quality and innovative products for applications ranging from sustainable transportation and food safety to clean water and quality healthcare. For more information, please visit [www.lyb.com](http://www.lyb.com) or follow [@LyondellBasell](https://www.linkedin.com/company/lyondellbasell) on LinkedIn.

Before using a LyondellBasell product, customers and other users should make their own independent determination that the product is suitable for the intended use. They should also ensure that they can use the LyondellBasell product safely and legally. This document does not constitute a warranty, express or implied, including a warranty of merchantability or fitness for a particular purpose. In addition, no immunity under LyondellBasell's or third parties' intellectual property rights shall be implied from this document. No one is authorized to make any warranties, issue any immunities or assume any liabilities on behalf of LyondellBasell except in a writing signed by an authorized LyondellBasell employee. Unless otherwise agreed in writing, the exclusive remedy for all claims is replacement of the product or refund of the purchase price at LyondellBasell's option, and in no event shall LyondellBasell be liable for special, consequential, incidental, punitive or exemplary damages.

*Polyflam* is a trademark owned or used by the LyondellBasell group companies and is registered in the U.S. Patent and Trademark Office.
